NEW WATER AND WASTEWATER RATES on January 1, 2018

October 15, 2017

In late 2016, the Board of Commissioners at Alderwood Water & Wastewater District adopted changes to the rates charged for water and wastewater (sewer) service for years 2017, 2018, and 2019.

On January 1, 2018, service rates will increase:

2% increase in Water Rates

3.5% increase in Sewer Rates

For more on 2018 rates by customer class, please see below. Water and sewer rates are presented separately (even though you pay for them together on one bill).
