

**ALDERWOOD WATER & WASTEWATER DISTRICT
W1810 164TH ST SW TRANSMISSION MAIN CONNECTION
CONSTRUCTION MANAGEMENT AND INSPECTION SERVICES
REQUEST FOR PROPOSALS- ADDENDUM NO. 1**

The Alderwood Water & Wastewater District (District) is providing additional information for its Request for Proposals (RFP) for the above-referenced project. The information provided below supplements information already provided in the RFP documents posted on the District website. Questions received from potential proposers and the District response are as follows:

1. *Will the construction contract be done under WSDOT standard specifications?*

Yes, the construction contract format will be 2020 APWA/WSDOT Standard Specifications amended by Special Provisions.

2. *Are you planning on using EADOC for the web-based construction management system or another type of system?*

The District currently has a subscription and preference to use EADOC. Proposers may propose an alternative or supplementary web-based construction management system and include discussion of the proposed system in their Proposal.
