Subject: Sewer Line Relocation (S1906A)

Dear Homeowner/Resident:

Alderwood Water & Wastewater District (AWWD) has awarded a contract to Shoreline Construction Company to upgrade a portion of the sewer main that provides service to this area. This project will help ensure the community continues to enjoy a safe, reliable sewer system. AWWD is coordinating the project with Snohomish County to minimize impacts to the neighborhood. Noise generated by the construction equipment during daylight hours should be expected.

### Key points

#### Duration:

- Approximately 6 weeks beginning the week of October 18<sup>th</sup>, 2021. Asphalt patching will be completed once the pipe work is finished, and the final asphalt overlay is weather dependent and therefore may be completed next spring.

#### Traffic Impacts: (map on the back)

- Road closure of 219<sup>th</sup> St SW until pipe work is complete (24 hours per day, up to 6 weeks)
- Temporary lane restrictions on Locust Way.
- Residents in the neighborhood east of Locust Way will need to follow the signs and use the detour route once it is established using 218<sup>th</sup> St SW.
- Access will be maintained for emergency vehicles, mail, and garbage service.
- AWWD will coordinate with the school district to accommodate school bus schedules.

#### Sewer or Water Service Interruptions:

- None anticipated.

If you have any questions or require any additional information, the project contacts are as follows:

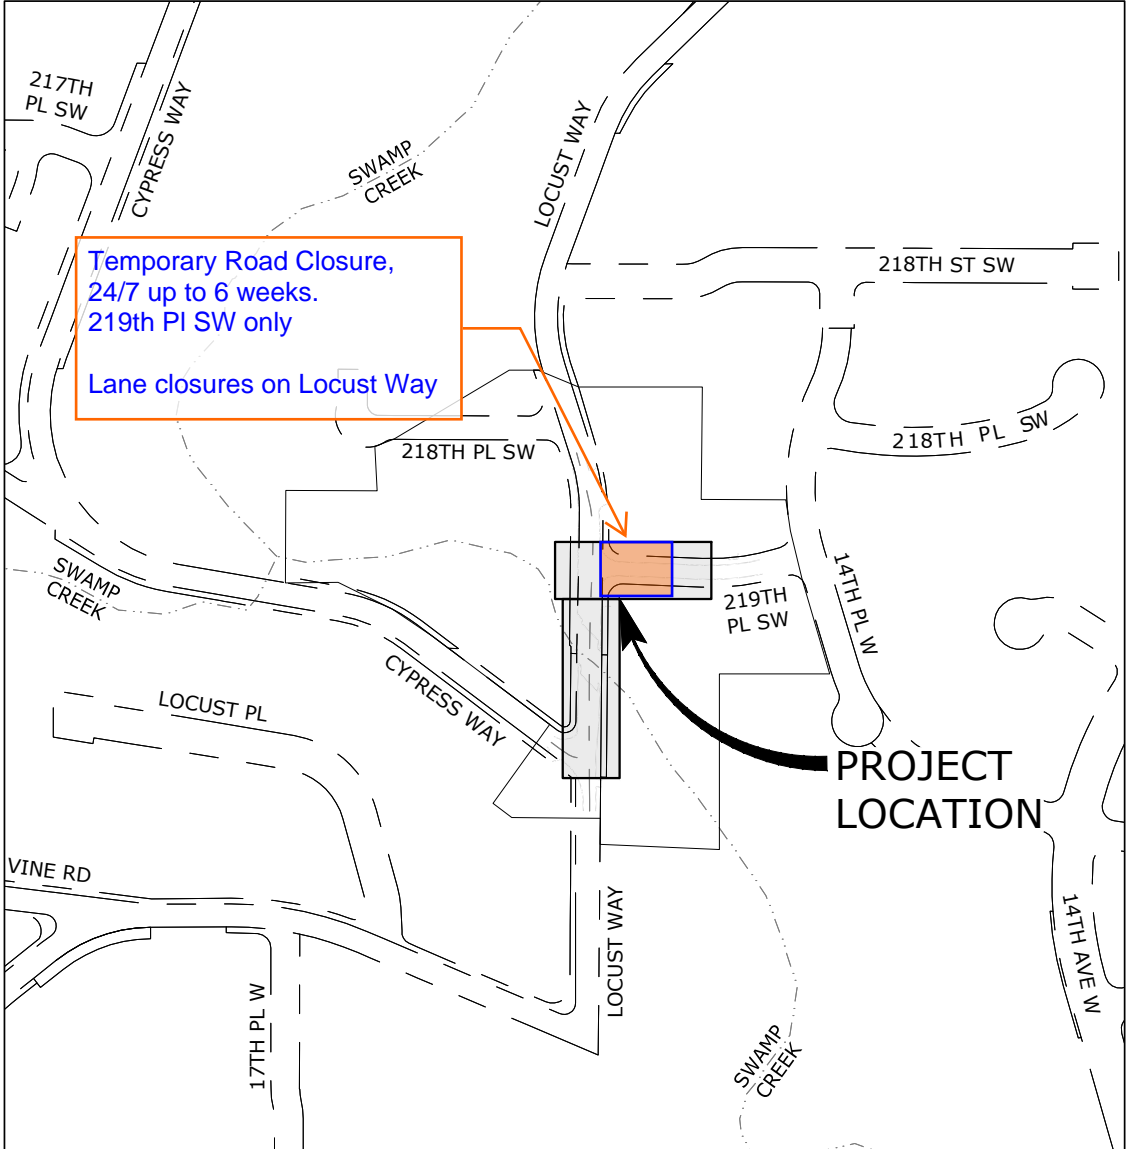

<u>Contact Name</u>	<u>Title</u>	<u>Cell No.</u>	<u>Email</u>
Chris Stokes	On-Site Construction Inspector	(425) 599-9417	<a href="mailto:cstokes@awwd.com">cstokes@awwd.com</a>
Catherine Forrest	AWWD Construction Manager	(206) 949-4120	<a href="mailto:cforrest@awwd.com">cforrest@awwd.com</a>

Construction can be challenging for a community, and AWWD sincerely appreciates your patience and understanding as we complete this sewer main work in your area.

Sincerely,

A handwritten signature in blue ink that reads "Catherine Forrest".
