2026 WaterSense Toilet Replacement Program

The Alderwood Water & Wastewater District's WasterSense Toilet Replacement Program provides homeowners (single family residence that is a house or condominium) that pay a water bill to Alderwood Water & Wastewater District up to a $75 rebate for the replacement of one high water flow toilet with a new WaterSense high efficiency toilet, 1.28gpf or less. This form is valid for a toilet purchased and installed in the Districts' service area through December 31, 2026. Please allow at least 8 weeks for your rebate check.

ALDERWOOD
WATER & WASTEWATER
DISTRICT

Instructions and Requirements

- The new toilet must bear the EPA WaterSense label -- no exceptions. Ask your retailer or plumber for a WaterSense-labeled toilet.
  Visit: https://www.epa.gov/watersense/residential-toilets for a list of qualifying toilets.
- You must be an Alderwood Water & Wastewater District retail customer (i.e. pay your water bill to the District).
- The property where the toilet is installed must be a single-family residence (house or condominium located in the Alderwood Water & Wastewater District service area with an account with us).
- One rebate per address over the life of the program, regardless of ownership changes.
- **The rebate amount is based on the purchase price of one toilet or $75, whichever is less, for a maximum of $75 per service account.**
- **T**he rebate covers the cost of the toilet only, not parts required for installation, or labor charges or sales tax.
- Complete an application form for one rebate and return it within **60 days** of the purchase of the toilet to:
  Alderwood Water & Wastewater District, Toilet Rebate Program, 3626 156th St SW, Lynnwood, WA 98087
- **or via email to:** rebate@awwd.com**.**
- You must attach a copy of the sales receipt to the application and enter the brand and model number on the application.
- Incomplete applications or applications lacking required documentation will not be processed.
- For more information, go to awwd.com/conservation and click on "toilet rebates".
  For questions, email rebate@awwd.com or call 425-743-4605.
- Old toilets must be recycled or disposed of. They may not be resold or reused.
- Rebates are available on a first-come, first-serve basis. This program is dependent on funding and may terminate without notice.

Rebate Application Form *(please write legibly)*

Full Name	Customer Account No.	
Installation Address	City	Zip
Mailing Address (if different)	City	Zip
Daytime Phone	Email address	
Toilet Brand and Model	Purchase Date	Amount
Property type ___ House ___ Condominium ___ Manufactured ___	Old Toilet Age: ____ years	Rebate Total

Please check to indicate that you have completed the following tasks:

❑ The new toilet was installed in a residence whose water provider is Alderwood Water & Wastewater District.

❑ I am submitting this application within 60 days of purchase of the toilet.

❑ I have indicated the new toilet brand and model above.

❑ I have included a copy of the receipt or other materials showing I purchased a WaterSense labeled toilet.

❑ My account is in good standing with Alderwood Water & Wastewater District.

❑ I am the owner or renter of this property.

"I certify that the information above is correct and accurate. I understand that Alderwood Water & Wastewater makes no warranties or guarantees regarding any toilet purchased under this program or any promises of water savings or reductions on my water bill. Alderwood Water & Wastewater District is not responsible for any problems or damages to my property resulting from the installation of a new toilet. I understand that if I didn't purchase an eligible toilet model or if my water provider is not Alderwood Water & Wastewater District, this application will be denied."
